INTRODUCTION

A highly motivated and detail-oriented recent graduate with a strong foundation in front-end web development technologies, including HTML, CSS, JavaScript and ReactJS. Eager to leverage my passion for creating user-friendly and visually appealing web interfaces to contribute to a dynamic development team, bringing fresh ideas and a strong commitment to learning new technologies.

EDUCATION

Bachelor of Computer Applications (BCA), Bharati vidyapeeth institute of management, Kolhapur, May 2024
CGPA: 8.40

SKILLS

Languages	HTML5, CSS3, JavaScript(ES6+)
Libraries and Frameworks	Tailwind CSS, ReactJS, React Router, Framer Motion
Tools	VS Code, Git and Github, Vite, Chrome DevTools
Soft Skills	Time Management, Teamwork, Communication, Problem Solving, Accountability

PROJECTS

Tic Tac Toe Game   ReactJS, React Router, TailwindCSS   GitHub   Live Preview

- Enabled players to choose between "X" or "O" and select an opponent (player vs. player or player vs. computer).
- Implemented game state management to track turns, win/tie scores, Board Progress with LocalStorage for persistence across sessions.
- Designed an intuitive user interface that includes options to restart the game, quit the existing game, view winner announcements, and navigate back to the home page.

Task Manager Application   ReactJS, TailwindCSS, framer Motion   GitHub   Live Preview

- Developed a responsive task management system with features like adding, editing, deleting, searching, and sorting tasks, including priority levels (High, Medium, Low) with persistent storage using LocalStorage.
- Integrated Framer Motion animations to enhance visual appeal and user experience.

Personal Portfolio Website   ReactJS, Tailwind CSS, Framer Motion   GitHub   Live Preview

- Designed and developed a fully functional portfolio website using React for a dynamic, responsive user experience.
- Implemented smooth and interactive animations with Framer Motion to enhance user engagement and visual appeal.
- Ensured cross-device compatibility with a mobile-first approach, creating a seamless experience on different screen sizes.

CERTIFICATIONS

- **Web Development** - Academor   View Certificate
- Completed: March 2024
- Gained a deep understanding of front-end technologies such as html5, css3, JavaScript, including ES6,
